TWENTY-SEVENTH SUNDAY IN ORDINARY TIME

SUNDAY 4 OCTOBER 2026

Fr. Andrew writes...

Harvest Home

Up until relatively recently the lives of the people were quite manifestly linked to, and dependant upon, the seasons of the year. In a time before electric lighting, radio and television, telephones and the internet, motor cars or mass transport, our ancestors relied on daylight to work. They relied on good weather to grow their food and raise their animals. A good harvest could mean the difference between poverty and prosperity, even between life and death. No wonder they celebrated harvest with such enthusiasm. In England, the traditional harvest season lasted from the beginning of August (when the first corn harvest was celebrated on Lammas Day) until around the start of October, when the final sheaves of corn were gathered in and the fruit had all been picked. The end of harvest was marked with communal celebration, the last of the crops being paraded back to villages with songs commemorating the year's work and shouts of "Harvest Home!"

For Jesus and his disciples, too, the cycle of the agricultural year was deeply significant. It features in many of Jesus' parables, including this Sunday's Gospel, which is about the harvest of a vineyard. Jesus warns the religious authorities of his day that their failure to deliver the harvest of faithfulness will result in new tenants taking their place. We, too, need to listen to Jesus' words: we cannot afford to be complacent, to think that our status as Catholics – "the Church" – will guarantee God's favour. The Lord has entrusted us with a valuable asset by delivering the Gospel to our care, and we must make a return of faithfulness. Our contributions to this weekend's Cafod collection will be one sign of our commitment. Over the next two weeks, as we continue to read from Matthew 21-22, we shall seek to apply the parables to the question of what harvest the Lord is seeking from us, both spiritually and materially. As we draw the Season of Creation to a close this weekend, let us look for the signs revealed by God's creation, which can serve as parables of God's plan for our human flourishing and spiritual fertility.

NOTICES & FORTHCOMING EVENTS

Volunteers Needed This Saturday!

Help! Nina is on the lookout for a few willing hands (and strong backs!) for the Care in the Community Clothes Sale this Saturday, 3 October.

We need volunteers at 11am to help set up, and again at 3.30pm to help pack away afterwards. Many hands make light work, and the more helpers we have, the less time anyone spends wrestling with clothes rails!

If you can spare an hour or two at either end of the sale, please just come along to the parish centre on the day. With the newsletter only arriving the day before, we're hoping some of our wonderful readers will see this and come to the rescue!

Thank you in advance for helping make this valuable community event a success.

Live-streaming in our churches

Some of communities have used live-streaming, for example on Youtube, to broadcast liturgies. In particular during the time of Covid-19-related restrictions on worship, many found this a useful resource. Some of our homebound parishioners use live-streaming as one way of staying connected to our parish. Other communities in our parish area have never used live-streaming. As the new parish priest of Jesus Prince of Peace Southeast Hampshire, I have decided that live-streaming should be discontinued across our parish. In part this is because of the significant burden of compliance with data protection rules which it entails. In part this is because of recent developments in artificial intelligence which make the cloning of images and voices increasingly easy. It just seems to me imprudent to publish our liturgy to the world at large. Please be assured that we will be working to put in place a provision for homebound people to watch a recording of Sunday Mass in our parish area. We will also continue to prioritise visiting our homebound parishioners, and bringing them the Word and the Sacraments of the Church.

- For those who are homebound and wish to view Mass online, we warmly recommend watching the Daily Catholic Mass service from the Eternal Word Television Network: <https://ewtn.co.uk/tag/daily-catholic-mass/>

Father Andrew Wagstaff, Parish Priest

First Holy Communion and Confirmation Programmes

As we come together into a single parish of Jesus Prince of Peace, Southeast Hampshire, we need to take account of the various ways in which programmes of preparation for the Sacraments of Initiation have been delivered in the communities of our parish area. We hope to bring about a harmonisation of the programmes across the parish. For this reason, this year 2026-2027 we will be taking a break from delivering sacramental programmes in order to re-set our approach in Autumn 2027. Our guiding principle going forward will be that: **the right time to receive a Sacrament of Initiation is when you are ready to practise the Faith.**

If your family would like to join the programmes for First Holy Communion or Confirmation, please use this year to prepare by making sure that your family comes to Mass every Sunday or Saturday evening. This practice is called the Sunday Obligation: it has always been the first rule of being Catholic. If you need to, please consider how you can re-arrange your life to make this happen.

Father Andrew Wagstaff, Parish Priest

Amare Memoriae

We pray for the rest and peace of the souls of Brian Kidd, Patricia Webb & Colin Barr who have sadly died recently. Please also remember their families and friends at this difficult time. Colin's Funeral Mass will be on Friday 16 October @ 12noon at Sacred Heart.

News from our schools

- Headteacher, Richard Cunningham writes... At St Peter's our school year began with a Mass for pupils from Years 1 to 6 celebrated by our new parish priest Fr Andrew Wagstaff. Pictured here in front of the altar are items presented by children from each year group in the school from 1 to 6 to represent something they will be learning about in the coming year, as well as class mascots. The celebration of Mass was a lovely way to start the year and bring the school community together. At the end of Mass we commissioned ten pupil chaplains who will serve the school over the coming year by helping to prepare prayer, worship and Celebrations of the Word as well as representing the school at local and Diocesan events.

Toy Sale & Christmas Fair – Your Help is Needed!

As we look ahead to two wonderful parish fundraising events, we'd be grateful for your support.

Our Toy Sale takes place next month, and we are now collecting donations of new toys only. If you are able to donate a new toy, it would be greatly appreciated and will help make the sale a great success.

We are also preparing for our Christmas Fair on Sunday 6 December and are seeking donations for the raffle. If you own a business, work for a company, or know someone who does, please consider asking whether they would be willing to donate a raffle prize. Gift vouchers, hampers, experiences, and other prizes are always very popular.

Both events are being organised by Nina, our Care in the Community rep., and rely on the generosity and support of our parish community. Every donation, however large or small, helps us make these events a success. Thank you for your continued support! For donations or further information, please contact Nina after the Sunday morning Mass at Sacred Heart or email her – contact details at the end of this newsletter.

Sacred Heart 11am Sunday Mass Tech Support

Nicola Hordell writes... We are still in need of a volunteer or team of volunteers who could take over from Barry to set up/manage the tech we use at the 11am Mass (microphones, laptop, livestream system). Barry has done a great job and is about to begin a well-earned retirement. If anyone is able to volunteer to take on this role, we would be delighted and very, very grateful to hear from you. If enough volunteers can help, a rota could be arranged. Please contact me by emailing Sue in the parish office as soon as possible if you would be able to help and we can organise a time for you to find out how the tech works etc. *Please note, all slides will be prepared by another volunteer so we only need people who can set up, manage the laptop and tech etc. at services.*

Message from our Jesus Prince of Peace Music Ministry Team

Dear Friends,

We hope that you enjoyed the fruits of the combined pastoral communities in music making. A number of people expressed the desire to be involved in future events. Current plans involve the potential for a monthly gather and sing, and a combined Christmas tide (so possibly Epiphany) event as well as the Sing to the Lord day which has been postponed this year.

So, a reminder that if you wish to be included in arrangements or to participate in any way with the Parish Music Ministry, you will need to complete your expression of interest so that we can hold your information in a secure format on the Diocesan server and use it to keep you updated. Here is a link to the form: <https://forms.office.com/e/KBikiyMbd9> or if you prefer, a QR code which will take you straight there →

You are also commended to the Jesus Prince of Peace Music Ministry Whatsapp [output] Channel, from where all the necessary news and information is distributed straight to your 'phone. There is no need to sign up and no one can obtain your contact details or contact you from following this channel. You can also search  for it, in the "Updates" tab at the bottom of your Whatsapp screen with this icon:

← Here is a QR code which takes you straight to the channel:

We look forward to hearing from you.

• Sea of Poppies

As part of Portsmouth's centenary celebrations, a "Sea of Poppies" remembrance display is being created at Southsea Castle. We would like to thank all our parishioners who have knitted or crocheted poppies for this special community project. The finished display will be on show during November as a lasting tribute of remembrance.

- A heartfelt thank you to everyone who supported Lucy and helped make the recent **Macmillan Coffee Morning** at St. Edmund's such a wonderful success. Whether you baked cakes, donated raffle prizes, helped set up and clear away, served refreshments, or simply came along to enjoy the morning and support the cause, your generosity and enthusiasm were a real credit to our community. We are delighted to share that the event raised an incredible £500 for Macmillan Cancer Support!

Admittance to Hospital?

When a Catholic is admitted to hospital, the family should ensure that the Catholic Chaplaincy is contacted so that appropriate support can be given. It is suggested that the patient have a note to give to hospital staff on admission, notifying staff that they are Catholic and would appreciate the Catholic Chaplaincy service. This could be followed up by a telephone call from the family to the ward to ensure the request is actioned. When a person is due to go into hospital, please also let your parish priest know so that he can administer the Sacrament of the Sick where appropriate.

Keeping Our Church Grounds Welcoming for All

To help maintain a welcoming, safe, and respectful environment for everyone, please note that our church site is a **smoke-free, vape-free, and alcohol-free area**. This applies to **all areas of the site**, including:

- The areas immediately outside and in front of the church

We kindly ask all visitors, parishioners, and guests to respect this policy. Thank you for your understanding and cooperation in helping us keep our church grounds pleasant for all who come here to pray, worship, and gather as a community. **Thank you for your support.**
