Our Children – The Future of Our Parish

It is always so lovely to see our children coming forward for our Children's Liturgy and then returning to church during the Offertory, bringing their worksheets and happily explaining to us what they have learned and done in their class.

Dear parents, I warmly ask you to support and encourage your children to come and take part in our Children's Liturgy each week. Our children are the future of our Church and of our parish, and it is a great joy to see them growing in faith, learning about Jesus and becoming more involved in the life of our parish community.

I would also like to encourage those children who have already received their First Holy Communion to consider becoming altar servers. Please do not worry if they make mistakes at the beginning. With each opportunity to serve, they will become more confident and comfortable. By serving regularly, they will learn and improve, and before long they will become confident altar servers.

I would like to express my sincere gratitude to our wonderful Children's Liturgy Team for their commitment, time and dedication in preparing and organising the sessions every week. Your service to our children and our parish is greatly appreciated, and I am truly grateful to you all.

With many thanks
Fr. Inna
